

LTCCC Needs Your Support Today!

*“I don’t have big expectations.... I’d like him to be safe, fed and clean....
But even that isn’t done.” – A wife of a nursing home resident.*

The Long Term Care Community Coalition (LTCCC) needs your support to help us protect the seniors and disabled individuals who rely on long term care services and supports. We believe that every nursing home resident has the right to live safely and with dignity. Everyone who goes to assisted living deserves to receive decent care, monitoring and services that are appropriate for their needs. Nobody deserves to be treated like just another body in a bed.

Your donation will help us improve care, quality of life and dignity for residents in nursing homes and assisted living; provide a strong voice for those who too often cannot speak for themselves; and educate consumers and their families.

LTCCC is a non-profit, 501(c)(3) organization. Your contribution is fully tax-deductible.

Please donate on-line now at www.ltccc.org (or go directly to our secure donation page at <http://goo.gl/943pCH>) or print this page and mail in with your contribution to:
